FY 2022-23

Annual Engineer's Report
For
Windsor Landscaping & Lighting
Special Assessment District

Preliminary

Town of Windsor
County of Sonoma
State of California

April 2022

Prepared By:
Coastland Civil Engineering, Inc.

FY 2022-23
WINDSOR LANDSCAPING AND LIGHTING SPECIAL ASSESSMENT DISTRICT

(Pursuant to the Landscaping and Lighting Act of 1972)

The undersigned respectfully submits, as directed by the Town Council of the Town of Windsor on the 2nd day of March, 2022, the enclosed Engineer's Report on the 20th day of April, 2022.

COASTLAND CIVIL ENGINEERING INC.

By: _____
John L. Wanger, RCE 43148, Exp. 3/31/24

I HEREBY CERTIFY that the enclosed Engineer's Report, together with Assessment and Assessment Diagram thereto attached, was filed with me on the _____ day of _____, 2022.

By:_____
Irene Camacho-Werby, Town Clerk
Town of Windsor
Sonoma County, California

I HEREBY CERTIFY that the enclosed Final Engineer's Report, together with Assessment and Assessment Diagram thereto attached, was approved and confirmed by the Town Council of the Town of Windsor, California, on the _____ day of _____, 2022.

By:_____
Irene Camacho-Werby, Town Clerk
Town of Windsor
Sonoma County, California

I HEREBY CERTIFY that the enclosed Final Engineer's Report, together with Assessment and Assessment Diagram thereto attached, was filed with the County Auditor of the County of Sonoma on the _____ day of _____, 2022.

By:_____
Irene Camacho-Werby, Town Clerk
Town of Windsor
Sonoma County, California

ANNUAL ENGINEER'S REPORT FOR
TOWN OF WINDSOR
LANDSCAPING & LIGHTING SPECIAL ASSESSMENT DISTRICT

(Pursuant to the Landscaping & Lighting Act of 1972)

FY 2022-23

Coastland Civil Engineering, Engineer of Work for the Windsor Landscaping & Lighting Special Assessment District, Town of Windsor, Sonoma County, California, makes this annual Engineer's Report, as directed by the Town Council on March 2, 2022, pursuant to Sections 22565 and 22620 of the California Streets & Highways Code for the Windsor Landscaping & Lighting Special Assessment District for Fiscal Year (FY) 2022-23.

Background

The Windsor Landscaping & Lighting Special Assessment District (Assessment District, or LLAD-1) was formed in 1987 by the County of Sonoma to recover costs associated with the operation and maintenance of landscaping and streetlights within the public right-of-way. In order to levy and collect assessments each subsequent fiscal year, the Landscaping & Lighting Act of 1972 requires the preparation and filing of an annual Engineer's Report (Report). During these annual proceedings, new cost estimates are developed to determine the costs to operate and maintain the Assessment District improvements for the upcoming fiscal year. Further, as new subdivisions and parks are created within the Windsor Town limits, they are typically annexed into the Assessment District on an annual basis.

Proposition 218 and Special Benefits

In 1996, California voters approved Proposition 218 which grants local governments the ability to create assessment districts, and to levy and collect assessments. This law stipulates that a parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred upon that parcel. "Special benefit" is defined as "a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large".

The Annual Engineer's Report must identify the special benefits conferred upon assessed parcels through the improvements and services funded by the Assessment District. The Report must also identify any general benefit conferred upon the public at large by those same improvements and services. ("Improvements and services" primarily refers to landscaping or lighting in identified areas and the operation and maintenance thereof.) The annual costs of the assessed improvements and services must be apportioned between special and general benefits. The costs attributed to a general benefit may not be assessed.

In general, the special benefits to each parcel provided by maintained landscaping within each area include:

- Enhanced desirability of properties through association with the improvements.
- Improved aesthetic appeal of the neighborhood.
- Improved air quality from additional vegetation.

In general, the special benefits to each parcel provided by maintained lighting within each area include:

- Enhanced pedestrian safety.
- Enhanced vehicle safety.
- Enhanced security to properties.

Each parcel within a zone receives a particular and distinct special benefit from the maintenance of the landscaping and/or lighting within that zone even though the landscaping or lighting may not be adjacent to each parcel. Although members of the public may walk or drive through a zone and appreciate the aesthetic appeal of the maintained landscaping, this does not necessarily confer a general benefit to the public at large.

In the case where assessed improvements confer both special benefits to the parcels of a zone as well as general benefits to the public at large, the portion of each type of benefit must be quantified, and the costs apportioned accordingly. The discussion of such conditions, should they occur, is presented in Section D.

Fiscal Year 2022-23

For FY 2022-23, no assessment increases are proposed in any of the six zones that comprise the Assessment District. While there is no assessment increase this year, Zone 6 will have the cost of living escalator added to the maximum allowed. There are no annexations to any zones this year.

There have been land use changes to existing parcels and changes to annual average occupancy rates of the hotels. The total proposed Assessment District budget for FY 2022-23 is $2,450,803.75. This is an increase of approximately 2.0% from the FY 2021-22 budget of $2,403,073.12. Funding from the following sources is proposed for FY 2022-23 assessments:

Assessment Revenues:	$ 882,264.20
Assessment District Reserves:	$ 4,299.47
Assessment District Interest:	$ 0.00
Town General Fund Contributions:	$1,564,240.08
Other Funding Sources:	$ 0.00
Total:	**$2,450,803.75**

The proposed changes, budgets, assessments and California Constitution impacts to the Assessment District are included in the description of each of the six zones as follows:

Zone 1 - Parks

Zone 1 was created to recover the costs associated with the operation and maintenance of 20 neighborhood and community parks and trails, and 6 landscaping areas within the Town of Windsor. These neighborhood and community parks, trails, and landscape areas are: Brooks Creek Linear Trail, Esposti Park, Faught Creek Park and Path, Hiram E. Lewis Park, Keiser Park, Pat Elsbree Skate Park, Wilson Ranch Soccer Park, Acorn Park, Lakewood Meadows Park, Los Robles Park, Michael A. Hall Park, Old Vineyard Park, Pleasant Oak Park, Pueblo Viejo Park, Quail Run Park, RT Mitchell Park, Robbins Park, Starr Creek Park and Trail, Sutton Park, and Vintage Oaks Park. The landscaping areas are: Civic Center Complex, Intermodal Station, Town Green, Windsor Community Center, Windsor off-ramp/Highway 101 interchange, and the Windsor Boys and Girls Club Parking Lot. Zone 1 is the largest of the six Zones in the Assessment District and nearly follows the Town boundaries.

The Zone 1 annual assessment, which will be levied on each parcel within the zone, is dependent on the development status (vacant, single family dwelling, multiple dwelling units, etc.) of each parcel. See Part D of this report, Method of Apportionment of Assessment, for a full description of the manner in which the assessments have been apportioned (spread) to each parcel. Unless the Town annexes new areas of land or development begins on the last area annexed, new annexations into Zone 1 are not expected. Typical changes to Zone 1 include land subdivisions, mergers, land use changes to existing parcels, and changes in average daily occupancy for the local hotels. These changes affect the total number of Equivalent Single-Family Dwelling (ESD) units in Zone 1.

For FY 2022-23, changes have netted an increase of approximately 137 ESD's for Zone 1. This is due to changes in the average hotel occupancy rates and land use changes.

The total proposed Zone 1 budget for FY 2022-23 is $1,328,618.66. This is an increase of approximately 0.7% compared to FY 2021-22. The proposed funding will be from the following sources:

Zone 1 Assessment Revenues:	$497,241.00
Available Zone 1 Reserves:	$0.00
Zone 1 Interest Income Earned:	$0.00
Town General Fund Contributions:	$831,377.66
Total:	**$1,328,618.66**

The necessary supplemental funds transferred from the Town's General Fund will be used to keep the Zone 1 annual assessment at **$50.00** per Equivalent Single-Family Dwelling (ESD), the same as FY 2021-22. The estimated reserve fund balance for Zone 1 is anticipated to be $0.00 at the end of FY 2022-23. The annual assessments have not increased since FY 1996-97.

Zone 2 – Street Lighting

Zone 2 provides funding for the operation and maintenance of street lighting within the boundaries of Zone 2. Zone 2 boundaries consist of separate or contiguous individual parcels and/or subdivisions within the Town limits (See Assessment Maps at the end of this report). For Zone 2, there are no parcels to be annexed and there is an increase of 7.0 ESDs.

The individual parcels and subdivisions within Zone 2 which are annually assessed for the operation and maintenance costs of the streetlights include:

1. Apollo Estates
2. Carolyn Acres
3. Country Meadow
4. Creekside Meadows
5. Cross Creek 1 & 2
6. Deercreek 1, 2 & 3
7. Elsbree Estates 1, 2, 3 & 4
8. Foothill Oaks 1, 2, 3 & 4
9. Golden Oak
10. Hembree Estates
11. Hidden Creek Estates, I and II
12. Jane's Meadows
13. Jones Subdivision
14. Kidd Estates
15. Lakewood Glen 1A, 1B, 2, 3, 4A & 4B
16. Lakewood Meadows 2 & 3
17. Los Robles Estates
18. Maple Leaf
19. Moore Subdivision
20. Oak Hill Estates
21. Oak Meadows
22. Oak Park
23. Old Redwood Estates A, B, C, D, E & F
24. Pedrotti Estates 1 & 2
25. Pool Creek Estates
26. Redwood Meadows
27. Roundbale I
28. Shady Oaks Estates 2
29. Starburst Estates
30. Tamara Oaks
31. Twin Palms
32. Vinecrest Estates
33. Windsor Commons 1, 2, 3 & 4
34. Windsor Industrial Park 1 & 2
35. Pleasant Point
36. Shiloh Commercial Center
37. Parkside
38. Provence
39. Vintage Hills
40. Alden Woods
41. Wilson Estates

42. Meadowlark
43. Vinecrest Acres, Unit 2
44. Lakewood Village
45. Vineyard Place
46. Castle Estates
47. Hembree Lane (between Old Redwood Highway and Foothill Blvd.)
48. Arata Estates
49. Carter Minor Subdivision
50. Windsor Palms Plaza I & II
51. Harmon Place
52. Mehler Minor Subdivision
53. Creekview Estates
54. Foothill Park
55. Ridgeview Estates
56. Meadow Place
57. Viking Subdivision
58. California Valley Oaks
59. Boden Acres
60. Marcella Meadows (PM 89-477)
61. Village Oaks
62. Caitlyn Manor 1, 2, & 3
63. Lakewood Glen 5
64 Windsor River Road Parcels
65. Brooks Creek Unit No. 1, 2, 3 & 4
66. California Creekside No. 4
67. Coralee Meadows
68. Evergreen
69. Foothill Meadows
70. Chiquita Lane Subdivision
71. Harvest Meadows
72. Moyle & Young Subdivision
73. Mangan Minor Subdivision
74. Shiloh Greens
75. Springfield Estates
76. Piasecki Minor Subdivision
77. Twin Oaks
78. Vine Country Estates
79. Cock Robin/Bluebird/Windsor Palms Residents
80. Starr View Residents
81. Polaris Estates
82. Lakewood Drive Lighting (commercial area adjacent to median & Exchange Bank)
83. Airport Business Park Phase V-A and Phase V-B
84. Alden Court Subdivision
85. Luzaich Subdivision
86. Vinecrest Meadows

87. Windsor Square
90. Conde Veterinary Hospital
91. Park Glen Subdivision
92. Wild Oak/Windsor River Road Residents
93. Vinecrest Senior Housing
94. Windsor Bowl
95. Wright Realty
96. Windsor Park Subdivision
97. Airport Business Center
98. CA Rasmussen Property[1]
99. Empire Storage
100. Franklin Area Residents
101. A.P.N. 161-060-040 (Magee Parcel)
102. Parcel Map 92-03W
103. Starr Circle Subdivision
104. Vintana Subdivision, Units 1, 2, 3, 4, 5, 6a, 6b, and 7
105. Windsor Creek Subdivision 1 and 2
106. Yerba Buena Subdivision
107. Valencia Subdivision
108. Spencer Subdivision
109. PM 98-06 (Golf Club Clubhouse)
110. PM 87-015A (Windsor Soccer Park)
111. Vintage Greens Subdivision 1, 2, 2B, 3, 4, and 5
112. The Villas Subdivision
113. Precision Crane (UP 87-796)
114. REMOVED (Dooley & Firpo Parcel (UP 99-34))[2]
115. Esmond Place
116. Bell Manor
117. REMOVED (Airport Business Park)[2]
118. Lady of Guadalupe Church
119. PM 95-05
120. Harper Court
121. Bonita Roble
122. Los Robles Meadows Phase 1, 2 and 3
123. PM 00-07a
124. PM 01-14
125. PM 96-25
126. PM 97-20
127. PM 99-18
128. PM 99-21

[1] A portion of this development (98) was removed from LLAD-1, Zone 2 in FY 2010-11, and annexed into the Landscaping and Lighting Assessment District No. 2 as a result of additional development.

[2]This development (114 and 117) was removed from LLAD-1, Zone 2, in FY 2022-23, and annexed into the Landscaping and Lighting District No. 2 as a result of additional development.

129. Sally's Meadows
130 Town Green Subdivision
131. Town Green Village Phase 1, Building A
132. Town Green Village Phase 1, Building B
133. Town Green Village Phase 1, Building C
134. PM 00-27
135. First Baptist Church
136. DriveRite Auto Repair
137. PM 93 – 39A
138. Windsor Creek Plaza
139. Old Redwood Hwy. From Lakewood through Hembree
140. Airport Business Center Phase 4[3]
141. Blue Oak Estates
142. Morgan Woods Subdivision
143. Parcel Map 02-09
144. Winter Creek Village
145. Bonaventure Plaza
146. DRC 03-13 (Johnson Pools)
147. PM 02-14
148. Windsor River Road Residents from Windsor Road to Starr Road
149. PM 02-16
150. Creekside Place
151. Town Green Village Phase III, Building F & G
152. Town Green Village Phase III, Building H
153. Town Green Village Phase III, Building I
154. PM 02-47
155. PM 00-52 (aka Homewood Suites, Los Amigos Extension)
156. Miller Office/Warehouse
157. Mitchell/Shiloh/Conde Zone 2 Area Residents
158. PM 91-919
159. PM 03-38
160. Town Green Village Phase III, Building K
161. Town Green Village Phase III, Building M
162. Los Amigos Self Help Housing
163. Parcel Map 05-06
164. Parcel Map 05-07
165. Khiroya Subdivision
166. The Oaks at Windsor Village (PM 04-48)
167. Conde Lane Business Park Subdivision
168. PM 04-25
169. Chun Office Building
170. Parcel Map 05-27 (Remsen)
171. Head Start

[3]A portion of this development (140) was removed from LLAD-1, Zone 2, in FY 2022-23, and annexed into the Landscaping and Lighting District No. 2 as a result of additional development.

172. 705 Shiloh Road (Gas Station)

During April 1998, a budget shortfall was identified for FY 1998-99. In order to comply with California Constitution requirements, ballots were sent to all property owners within Zone 2 with a proposal to increase the assessments for FY 1998-99. The majority of the property owners returning ballots voted against increasing the Zone 2 assessment for FY 1998-99. Therefore, 1998-99 Zone 2 annual assessments stayed at the 1997-98 level. The Zone 2 funding shortfalls have been supported by a combination of the prior fiscal year fund balance carry over, available Zone 2 reserves and supplemental funds transferred from the Town's General Fund.

For FY 2022-23, three parcels, APNs 164-050-044, 164-350-001, and 164-350-008, were removed from Zone 2 and added to new zones in the Lighting and Landscaping District No. 2.

The budget for Zone 2 has increased approximately 6.9% from FY 2021-22. The total proposed Zone 2 budget for FY 2022-23 is $366,837.35. The proposed funding will be from the following sources:

Zone 2 Assessment Revenues:	$145,337.16
Available Zone 2 Reserves:	$0.00
Zone 2 Interest Income Earned:	$0.00
Town General Fund Contributions:	$221,500.19
Total:	**$366,837.35**

Supplemental funds transferred from the Town's General Fund will be used to keep the Zone 2 annual assessment at **$21.18 per ESD**, the same as assessed FY 2021-22. The estimated reserve fund balance is anticipated to be $0.00 at the end of the FY 2022-23. The annual assessments have not increased since FY 1995-96.

Zone 3 – Street Landscaping

Zone 3 covers the costs associated with the operation and maintenance of street median-island landscaping, street back-on landscaping and weed abatement work. Zone 3 boundaries consist of separate or contiguous individual parcels and/or subdivisions within the Town limits (See Assessment Maps at the end of this report).

For FY 2022-23, there are no new subdivisions proposed for annexation into Zone 3. Land use changes to parcels that had previously been annexed into Zone 3 do not require additional annexation proceedings. This year, one parcel, APN 164-350-001, was removed from Zone 3 and added to a new zone in the Lighting and Landscaping District No. 2. For Zone 3, the number of ESD's is proposed to decrease by 2.0 ESD.

A listing (numbered consecutively) of all the individual parcels and subdivisions within Zone 3 annually assessed for the costs associated with the operation and maintenance of street median-island landscaping, street back-on landscaping and weed abatement work is as follows:

1. Country Meadow
2. Cross Creek 1 & 2
3. Deercreek 1, 2 & 3
4. Elsbree Estates 1, 2, 3, & 4
5. Foothill Oaks 1, 2, 3 & 4
6. Golden Oaks
7. Hembree Estates
8. Hidden Creek Estates
9. Jane's Meadows
10. Kidd Estates
11. Lakewood Glen 1A, 1B, 2, 3, 4A & 4B, 5
12. Lakewood Meadows 2 & 3
13. Los Robles Estates
14. Oak Hill Estate
15. Oak Park
16. Old Redwood Estates A, B, C, D, E & F
17. Pool Creek Estates
18. Redwood Meadows
19. Starburst Estates
20. Windsor Commons 2, 3 & 4
21. Pleasant Point
22. Shiloh Commercial Center
23. Provence
24. Vintage Hills
25. Alden Woods
26. Meadowlark
27. Castle Estates
28. The area of Hembree Lane between Jensen Avenue and Foothill Blvd.
29. Arata Estates
30. Foothill Park
31. Ridgeview Estates
32. Meadow Place
33. Viking Subdivision
34. California Valley Oaks
35. Boden Acres
36. Marcella Meadows
37. Caitlyn Manor 1, 2 & 3
38. Windsor River Road Street Trees
39. Brooks Creek, Unit No. 1, 2, 3, & 4
40. California Creekside, No. 4
41. Evergreen
42. Foothill Meadows
43. Harvest Meadows
44. The Greens
45. Vine Country Estates

46. Lakewood Drive Landscaping
47. Vinecrest Meadows
48. Windsor Square[4]
49. Los Amigos Road Landscaping
50. Pollard Way Landscaping
51. Windsor Park Subdivision
52. Starr Circle Subdivision
53. Vintana Unit Nos. 1, 2, 3, 4, 5, 6a, 6b and 7
54. Windsor Creek Subdivision
55. Yerba Buena Subdivision
56. Vintage Greens 1, 2, 2B, 3, Phase 4 and Phase 5
57. The Villas
58. Windsor Creek Plaza
59. Old Redwood Highway from Lakewood through Hembree Lane
60. Airport Business Center Phase IV[5]
61. Morgan Woods Subdivision
62. PM 00-52 (aka Homewood Suites, Los Amigos Extension)
63. Mitchell/Shiloh/Conde Area
64. Conde Lane Business Park Subdivision
65. PM 04-25

During April 1998, a budget shortfall was identified for FY 1998-99. In order to comply with California Constitution requirements, ballots were sent to all property owners within Zone 3 with a proposal to increase the assessments for FY 1998-99. The majority of the property owners returning ballots voted against increasing the Zone 3 annual assessment for FY 1998-99. Therefore, 1998-99 Zone 3 annual assessments stayed at the 1997-98 level. The funding shortfalls for Zone 3 budget have been supported by a combination of prior fiscal year fund balance carry over, available reserves, interest contribution and supplemental funds transferred from the Town's General Fund.

The budget increased approximately 3.6% for Zone 3 compared to FY 2021-22. The total proposed Zone 3 budget for FY 2022-23 is $586,619.64. The proposed funding will be from the following sources:

Zone 3 Assessment Revenues:	$198,794.26
Available Zone 3 Reserves:	$0.00
Zone 3 Interest Income Earned:	$0.00
Town General Fund Contributions:	$387,825.38
Total:	**$586,619.64**

[4] Subdivision (48) was detached from Zone 3 per their request during FY 2000-01.

[5] A portion of this development (60) was removed from LLAD-1, Zone 3, in FY 2022-23, and annexed into the Landscaping and Lighting District No. 2 as a result of additional development.

For FY 2022-23, the necessary supplemental funds transferred from the Town's General Fund will be used to keep the Zone 3 annual assessment at **$34.34** per ESD, the same as assessed FY 2021-22. The estimated reserve fund balance is anticipated to be $0.00 at the end of the FY 2022-23. The annual assessments have not changed since FY 1995-96.

Zone 4 - Lighting for the Bluebird and Starr View Subdivisions

Zone 4 covers the costs associated with the operation and maintenance of the streetlights within the Bluebird Meadows and Starr View Subdivisions. Prior to FY 1993-94, these subdivisions were in independent lighting districts. They were combined into the Windsor Landscaping and Lighting District in FY 1993-94 to simplify the costs and the preparation of the required annual Engineering Reports. The costs associated with streetlights in these two subdivisions have been paid for in the past by pre-Proposition 13 tax increments and Redevelopment Agency (RDA) funds. Due to the elimination of Redevelopment Agencies (RDA), this revenue source is no longer available. Sufficient available reserves will be used for FY 2022-23 to keep the annual assessment for FY 2022-23 at $0.00, the same as assessed FY 2021-22. No General Fund contributions will be required for FY 2022-23. Zone 4 is exempt from the requirement of California Constitution, Article XIII D, Section 5(a). For FY 2022-23, no new subdivisions/land use changes or annexations are proposed for Zone 4. The expected number of ESD units for Zone 4 for FY 2022-23 will remain the same at 161.0 units. The estimated reserve fund balance at the end of FY 2022-23 is anticipated to be approximately $37,700.53.

During FY 2003-04, seven widely spaced street lights on short wooden poles on three streets were replaced/upgraded with fifteen standard street lights and poles. This work was 100% funded through Community Development Block Grant funds. In the future, if additional funding sources are found, other areas within this zone may receive street lighting upgrades.

The total proposed Zone 4 budget for FY 2022-23 is $4,299.47. This is an increase of approximately 3.9% from last year's budget. The proposed funding will be from the following sources:

Zone 4 Assessment Revenues:	$0.00
Available Zone 4 Reserves:	$4,299.47
Zone 4 Interest Income Earned:	$0.00
Zone 4 Pre-Prop. 13 Property Tax Funds:	$0.00
Town General Fund Contributions:	$0.00
Total:	**$4,299.47**

Zone 5 - Shadetree Drive Park

Zone 5 currently covers the operation and maintenance of a small passive-use park on Shadetree Drive within the Provence Subdivision. When Zone 5 was created, it was agreed the costs of acquisition and installation of the park improvements would be paid back by the property owners within the subdivision over a five-year period. This five-year payment was in addition to the annual assessments to maintain the park. The repayment of the park acquisition and installation costs was completed during FY 1998-99. Since FY 1998-99, the property owners have been

assessed only for the annual costs for operation and maintenance of the park. For FY 2022-23, no new subdivisions/land use changes or annexations are proposed for Zone 5. ESD's have not changed from last year.

The total proposed Zone 5 budget for FY 2022-23 is $893.56. This is equal to last year's budget. A General Fund contribution for one publicly owned parcel (a fire station) is required for this Zone. The proposed funding will be from the following sources:

Zone 5 Assessment Revenues:	$891.78
Available Zone 5 Reserves:	$0.00
Zone 5 Interest Income Earned:	$0.00
Town General Fund Contributions:	$1.78
Total:	**$893.56**

The Zone 5 annual assessment will be the same as last year at $1.78 per ESD. The estimated reserve fund balance is expected to be approximately $30,000 at the end of FY 2022-23. The typical annual operation and maintenance costs for Shadetree Drive Park are quite low. As the large oak tree within this park ages, specialty work by an arborist may be required. The reserve fund balance may be used for this purpose.

Because an assessment for Zone 5 did not clearly fit within any of the exemptions contained in California Constitution, Article XIII D (sometimes referred to as Proposition 218), Section 5, a petition was signed by 70% of the landowners prior to the first assessment. Because Section 5(b) requires all owners to consent to the assessment, Zone 5 did not appear to be exempt. Therefore, in 1997 the Town mailed ballots to the 501 property owners. A majority of voters voted in favor of keeping the level of service the same. Hence, the assessment was deemed exempt under Article XIII D, Section 5(d). The annual assessment shall not exceed $6.00 (Six Dollars) per ESD unit as stated on the 1997 ballot.

Zone 6 - Senior Center

Zone 6 covers the operation and maintenance associated with the Senior Center. In June 1994, the developer of the Brooks Creek Subdivision agreed to allow an assessment of $40,000 per year to be placed on the property for recovering some of the operation and maintenance costs of these facilities. The Zone 6 boundaries include the Brooks Creek Subdivision. For FY 2022-23, no new subdivisions/land use changes or annexations are proposed for Zone 6. ESD's have not changed from last year.

Overall operation and maintenance costs for FY 2022-23 for Zone 6 are estimated at $163,535.07. Zone 6 assessments currently generate $40,000 in revenue that pay for a portion (24%) of the landscaping costs associated with the Senior Center. The Senior Center is used by both residents living within Zone 6, as well as seniors throughout the Town. Residents living within Zone 6 receive a special benefit for being in close proximity to the Senior Center (attractive to property owners within this age-restricted community), from increased property values due to the landscaping and maintenance associated with the Senior Center, as well as actual use of the facility. Based on these factors, it was determined that the special benefit received by properties

within Zone 6 is for 33% of the overall costs and 67% of the costs are for general benefit of the senior community throughout the Town. As the overall assessment for Zone 6 covers 24% of the overall costs and the General Fund covers 76% of the costs, assessments for special benefits derived from the Senior Center levied to properties within Zone 6 do not quite cover the overall special benefit and the General Fund is paying for slightly more than its fair share.

As stated in the Conditions Covenants and Restrictions for Brooks Creek Subdivision, the annual assessment can be increased by the Consumer Price Index (CPI) amount, one year following recordation of the final map without the requirement to ballot the property owners. The Phase 4 final map was recorded in September 1998. The annual CPI is based on the All Urban Consumers (San Francisco Area) CPI from the U.S. Department of Labor, Bureau of Labor Statistics. An annual CPI adjustment to the maximum annual assessment is not mandatory. It is considered annually by the Town Council. A CPI increase to the maximum assessment was first applied in FY 2015-16 and continued to be applied annually through FY 2019-20. For FY 2020-21, the Town Council made the decision to not apply a cost of living increase to the maximum annual assessment. This year, Zone 6 will have the 2021 CPI of 4.2% added to the maximum assessment as allowed. While the annual assessment will remain the same, the new maximum allowed assessment will increase to $241.56 per ESD.

Zone 6 is exempt from the procedural requirements of Article XIII D of the California Constitution by virtue of Section 5(b) and (d) as can be found in this article. Not only did the owner of all the property sign an agreement consenting to the annual assessment, but an election was held and majority approval received, as required by law, to annually assess Zone 6 properties for a Senior Center.

The total proposed Zone 6 budget for FY 2022-23 is $163,535.07. This is a decrease of approximately 3.6% from last year's budget. The proposed funding will be from the following sources:

Zone 6 Assessment Revenues:	$40,000.00
Available Zone 6 Reserves:	$0.00
Zone 6 Interest Income Earned:	$0.00
Town General Fund Contributions:	$123,535.07
Total:	**$163,535.07**

For FY 2022-23, Zone 6 supplemental funds transferred from the Town's General Fund will be used to keep the Zone 6 annual assessment at **$200.00** per ESD, the same as assessed for FY 2021-22. The estimated reserve fund balance will be $0.00 at the end of the FY 2022-23.

FY 2022-23 Engineer's Report Format

This Engineer's Report consists of 6 Parts as follows:

PART A - **Plans and Specifications**- This portion of the Report identifies any plans and specifications that were prepared for the improvements. If plans and specifications exist, they are filed with the Town Clerk. Although separately bound, the plans and specifications are part of this Engineer's Report and are included in it by reference.

PART B - **Budget Cost Estimate –** This section includes budget cost estimates associated with the operations and maintenance of the described improvements for Zones 1, 2, 3, 4, 5 and 6. In addition to an overall budget summary for each zone, a detailed FY 2022-23 Budget sheet and a FY 2022-23 Summary of Fund Balance sheet is also provided.

PART C - **Assessment Roll –** This section includes a listing of the annual assessment for each benefitting parcel of land in Zones 1, 2, 3, 4, 5 and 6 within the Assessment District. The assessment amount is the estimated cost each parcel will contribute during FY 2022-23 towards the operation and maintenance of their respective Zone within the Assessment District.

PART D - **Method of Apportionment of Assessment** – This portion of the Report includes a statement of the method used by the Engineer of Work to determine the amount proposed to be assessed against each parcel within the six Zones of the Assessment District.

PART E - **Property Owners List** - The names and addresses of the owners of real property as listed within this Assessment District, as shown on the last equalized assessment roll for taxes. The Assessor Parcel Number (APN) for each parcel keys the list into the Assessment Roll shown in Part C.

PART F - **Assessment Diagrams** – The Assessment Diagrams (maps) showing all of the parcels of real property within the six Zones of the Assessment District. The APN for each parcel keys the property to the Assessment Roll shown in Part C. The APN's are shown in the Assessor's Maps available at the County of Sonoma Assessor's Office.

PART A
PLANS AND SPECIFICATIONS

The Assessment District has accepted the landscaping and streetlights located in various public rights-of-way for maintenance purposes. Maintenance may include repair, removal or replacement of any landscape improvement, damaged irrigation facilities, diseased landscaping, weed and brush clearing and any other allowable maintenance items per Section 22531 of the California Streets and Highways Code for the life of the Assessment District. In addition, the operation and maintenance of the park facilities as described in Zone 1 of this Engineer's Report is included in the Assessment District.

PART B
FY 2022-23 BUDGET COST ESTIMATES

For FY 2022-23, the total budget summary for Windsor Landscaping & Lighting Assessment District is as follows:

Zone	As Filed with the Town	As Preliminarily Approved	As Finally Approved At the Public Hearing
1	$1,328,618.66	$ -	$ -
2	$366,837.35	$ -	$ -
3	$586,619.64	$ -	$ -
4	$4,299.47	$ -	$ -
5	$893.56	$ -	$ -
6	$163,535.07	$ -	$ -
Total	**$2,450,803.75**	**$ -**	**$ -**

Detailed budgets for Zones 1-6 are provided in this section. Also included is the Summary of Fund Balance sheet for each zone.

A breakdown of the FY 2022-23 budget for each zone is below.

Zone	Budget	Assessment Revenue	Reserves	Interest	General Fund	Total
1	$1,328,618.66	$497,241.00	$0.00	$0.00	$831,377.66	$1,328,618.66

PART C
FY 2022-23 ASSESSMENT ROLL

The total proposed Assessment District revenues of $882,264.20 for FY 2022-23 consist of:

$497,241.00	From Zone 1
$145,337.16	From Zone 2
$198,794.26	From Zone 3
$0.00	From Zone 4
$891.78	From Zone 5
$40,000.00	From Zone 6

The breakdown of FY 2022-23 annual assessments per parcel per Zone is shown in a separately bound document on file with the Town Clerk. Although separately bound, the Assessment Roll is part of the FY 2022-23 Engineer's Report and is included in it by reference. The lines and dimensions of each parcel are shown on the maps in the office of the County Assessor of the County of Sonoma.

PART D
METHOD OF APPORTIONMENT

Special and General Benefits

This section describes the special benefits conferred upon each parcel by the assessed specific improvements and services of each zone, as well as the general benefits, if any, conferred to the community at large by those same improvements.

Zone 1 – Parks Assessment

Zone 1 provides funding for the operations and maintenance of 20 neighborhood and community parks and 6 landscaping areas within the Town of Windsor. The parcels within Zone 1 receive a direct and special benefit from their close proximity and access to these parks including the opportunity to use the parks' amenities which may include picnic areas, restrooms, walking trails, playground equipment, sports fields, open space, lawn areas, recreational spaces, dog parks, and nature areas. Other special benefits associated with parks include enhanced desirability of properties through association with the improvements, improved aesthetic appeal of the neighborhood, and improved air quality from additional vegetation.

All parcels within the Town limits are in Zone 1, with the exception of 21 parcels that have been annexed in since 2010 when the Town limits have expanded. Annexation of these parcels into the assessment district has been postponed until a subdivision improvement agreement, or other type of development agreement has been signed.

The parks and landscaping areas are generally equally distributed throughout the Town and all Town residents have approximately equal access to parks. Therefore, all parcels within the Town are deemed to receive an approximately equal benefit from the park assessment.

Each parcel within Zone 1 receives a particular and distinct special benefit from the proximity of parks even though a park may not be adjacent to each parcel. Although some park users may live outside of the Town of Windsor, this does not necessarily confer a general benefit to the public at large and, in any case, is determined to be negligible relative to the special benefits resulting from proximity to parks conferred upon the parcels within Zone 1.

Zone 2 – Street Lighting

Zone 2 provides funding for the operation and maintenance of street lighting within specific areas of the Town. The special benefits related to street lighting include enhanced safety for vehicular traffic and pedestrian travel at night, and enhanced security of the neighborhood in general.

Street-lights within the subdivisions of Zone 2 are spaced per adopted Town standards, and thereby provide approximately equal benefits of street lighting to all parcels within the subdivision, even if a street light is not adjacent to each parcel. Although members of the public may walk or drive through a zone and appreciate the enhanced safety and security provided by

street lighting, this does not necessarily confer a general benefit to the public at large and, in any case, is determined to be negligible relative to the special benefits conferred upon the parcels within the zone.

Zone 3 – Street Landscaping

Zone 3 provides funding for the maintenance of "back-on" landscape areas within specific areas of specific subdivisions within the Town. These areas include subdivision entrances, median areas and creek side linear paths. The parcels within the subdivisions in this zone receive a direct special benefit from the enhanced desirability of properties associated with the improvements, improved aesthetic appeal of the neighborhood, and improved air quality from additional vegetation.

Each parcel within Zone 3 receives an approximately equal special benefit from the proximity of street landscaping even though it may not be adjacent to each parcel. Although members of the public may walk or drive through a zone and appreciate the aesthetic appeal provided by street landscaping, this does not necessarily confer a general benefit to the public at large and, in any case, is determined to be negligible relative to the special benefits conferred upon the parcels within the zone.

Zone 4 - Lighting for the Bluebird and Starr View Subdivisions

Zone 4 provides funding for the operation and maintenance of street lighting within Bluebird Meadows and Starr View Subdivisions. These subdivisions were built prior to 1987 and the assessments were paid to the County of Sonoma through Pre-Proposition 13 funds. The street lighting for these parcels provide a specific benefit of increased safety for vehicular traffic and pedestrian travel at night and safety lighting of these neighborhoods.

The street-lights within the subdivisions of Zone 4 are spaced per adopted Town standards, and thereby provide approximately equal benefits of street lighting to all parcels within the subdivision, even if a street-light is not adjacent to each parcel. Although members of the public may walk or drive through a zone and appreciate the enhanced safety and security provided by street lighting, this does not necessarily confer a general benefit to the public at large and, in any case, is determined to be negligible relative to the special benefits conferred upon the parcels within the zone.

Zone 5 - Shadetree Drive Park

Zone 5 provides funding for the operation and maintenance of the passive-use park surrounding the Oak tree on Shadetree Drive within the Provence Subdivision. The park consists of the land surrounding a heritage oak tree and has no additional amenities. The Provence subdivision parcels have been determined to be the only parcels that receive the special benefit associated with this park due to the extremely small of the size of the park. The special benefits to each parcel in Zone 5 provided by the landscaping and the maintenance thereof include enhanced desirability of properties through association with the tree, improved aesthetic appeal of the neighborhood, and improved air quality.

The oak tree provides approximately equal aesthetic benefits to all parcels within the subdivision, even if the tree is not adjacent to each parcel. Therefore, all parcels within Zone 5 are deemed to receive a special benefit from the oak tree. Although members of the public may walk or drive through a zone and appreciate the enhanced aesthetics provided by the oak tree, this does not necessarily confer a general benefit to the public at large and, in any case, is determined to be negligible relative to the special benefits conferred upon the parcels within the zone.

Zone 6 – Senior Center

Zone 6 provides funding for the operation and maintenance of the landscaping at the Windsor Senior Center which was determined to benefit the Brooks Creek Subdivision Units I, II, III and IV only. The Brooks Creek Subdivision, Units I, II, III and IV is a development specifically oriented toward senior citizens (age restricted development.)

The Senior Center is used by both residents living within Zone 6, as well as seniors throughout the Town. Residents living within Zone 6 receive a special benefit for being in close proximity to the Senior Center (enhanced desirability to property owners within this age-restricted community), improved aesthetic appeal of the neighborhood, improved air quality from additional vegetation, increased property values due to the landscaping and maintenance associated with the Senior Center, as well as actual use of the facility. Based on these factors, it is determined that the special benefit received by properties within Zone 6 is for 33% of the overall costs and 67% of the costs are for general benefit of the senior community throughout the Town.

Method of Apportionment

The following is a brief description of the manner that the annual assessment has been apportioned (spread) to each parcel in each of the six Zones in the Assessment District:

Zone 1 - Park Assessment

When the County of Sonoma began collecting funds for the maintenance of parks in the Windsor area in July of 1990, the County passed Ordinance No. 4201 which described, among other things, the method for which benefits should be determined. The Town of Windsor utilizes a similar method of apportionment for Zone 1.

The method of spread utilized by the County equated all parcels within the Windsor Area to an Equivalent Single-family Dwelling (ESD) unit use. Each of the parcels within the Town of Windsor directly benefit from the parks by having them available for recreational use, sporting event use, picnicking use and enjoyment of the park amenities. The following basic use units reflect the relative benefit accruing to parcels of land within Zone 1 of the Windsor Landscaping & Lighting Special Assessment District.

Zone 1: Use Units by Parcel Type

Parcel Type	Use Units
Vacant, developable parcel	½ unit
Vacant and undevelopable parcel	0 units
Single dwelling parcel	1 unit
Multiple dwelling unit parcels	1 unit per dwelling
Commercial parcel with no dwelling units	1 unit per business
Commercial parcels with dwelling units	1 unit per business + 1 unit per dwelling unit
Industrial parcel with no dwelling units	1 unit per business
Industrial parcel with dwelling unit	1 unit per business + 1 unit per dwelling unit
Hotel, Motel, Inn type parcels	1 unit per average annual daily occupancy rate times the number of hotel/motel/inn rooms

The Zone 1 assessment cost per unit is found by dividing the total number of use units within Zone 1 by the Town's park operation and maintenance budget. The annual assessment for each parcel is found by multiplying the assessment cost per unit by the total units proscribed for each parcel.

Examples of vacant and undevelopable parcels include land used exclusively for greenbelt or open space, subdivision common areas, landscape strips, creeks, and parking areas.

In assessing vacant, commercial and industrial properties, the typical method of assessing these parcels within other assessment districts is to assess the land for its highest and best use. Because no dwelling units or industrial commercial developments exist on vacant land, it was felt that the assessment should be reduced to one half of a unit (see "Vacant, Developable Parcels" mentioned above). Also, in the case of commercial and industrial properties, it was felt that those individuals working at such locations received direct benefit by having the park facilities to utilize during lunch or after work for such activities as lunches, company picnics, company baseball games, etc.

With this year's Engineer's Report, five developments within Zone 1 are found to have an adequate private recreation facility to qualify for a reduced rate of 67% (2/3) of the full assessment according to the previously described method of spread. The reduced assessments will be applied to all units located in the following developments.

1. Windsor Mobile Country Club

2. Lakewood Hills Planned Unit Development
3. Foothill Oaks Planned Unit Development
4. Windsor Courtyard Condominiums
5. Shamrock Mobile Home Park

Past practice has been that the Town pays for the assessment costs for this zone attributed to publicly-owned properties, such as schools, Town Hall, the library, fire stations and wastewater treatment facilities. For FY 2022-23, the Town will pay for 31 publicly-owned properties out of the General Fund.

Zone 2 – Street Lighting Assessment

The lights within each of the Zone 2 subdivisions are spaced per adopted Town standards, thereby providing approximately equal benefit to each parcel. Therefore, each parcel within the zone receives approximately equal benefit, and is assigned one ESD.

Accordingly, the assessment cost for each parcel is found by dividing the total estimated Zone 2 costs for maintenance and operation of street lighting divided by the total number of ESDs within Zone 2.

As the costs expended in this zone cannot be fully reimbursed due to the maximum assessment having been reached, any Zone 2 parcels that become further developed will be annexed into the Landscaping and Lighting Assessment District No. 2 (LLAD-2) to pay the full lighting assessment for street lights, and removed from LLAD-1, Zone 2.

No charges associated with Zone 2 shall be imposed upon vacant and undevelopable parcels, such land used exclusively for greenbelt or open space, subdivision common areas, landscape strips, creeks, and parking areas.

Past practice has been that the Town pays for the assessment costs for this zone attributed to publicly-owned properties, such as schools, Town offices, fire stations, wastewater treatment facilities, and the Hembree Cultural Center. For FY 2022-23, the Town will pay for 14 publicly-owned properties out of the General Fund.

Zone 3 - Street Landscaping Assessment

The street landscaping gives approximate equal benefit to all of those parcels within Zone 3. Each parcel is therefore assigned one ESD.

Accordingly, the method by which the assessment is spread to each of the parcels within Zone 3 is found by taking the total estimated cost of the Zone 3 street landscaping assessment divided by the total number of ESDs within Zone 3.

Further, as a result of FY 2001-02 discussions and balloting with the property owner of APN 164-010-040, a commercial parcel, a specific method of apportionment of 1 unit +(the equivalent of

5 additional dwelling units) was used starting FY 2002-03 in determining this parcel's total use (ESD) units for annual assessment.

No charges associated with Zone 3 shall be imposed upon vacant and undevelopable parcels, such land used exclusively for greenbelt or open space, subdivision common areas, landscape strips, creeks, and parking areas.

Past practice has been that the Town pays for the assessment costs for this zone attributed to publicly-owned properties, such as schools, fire stations and the Hembree Cultural Center. For FY 2022-23, the Town will pay for 6 publicly-owned properties out of the General Fund.

Zone 4 - Bluebird Meadows/Starr View Street Lighting Costs

The costs associated with streetlights within the Bluebird Meadows and Starr View Subdivisions were previously paid for by pre-Proposition 13 tax increments. Accordingly, there was no additional assessment for the parcels within this zone. Because the Town wishes to be consistent with these subdivisions as previously created, the Engineer's Report proposes that the annual assessment for all parcels within these subdivisions continue to be paid with pre-Proposition 13 tax monies and no assessments are proposed for those parcels within Zone 4.

Zone 5 - Shadetree Drive Oak Tree

The costs associated with the operation and maintenance of the passive-use park surrounding the Oak tree on Shadetree Drive will directly benefit those residents within the Provence Subdivision due to its location and the passive use amenities that can be used primarily by the residents of this subdivision. Each parcel is therefore assigned one ESD.

Accordingly, the Zone 5 assessment cost per parcel is found by dividing the total estimated cost of the zone's annual assessment costs by the total number of ESDs within Zone 5.

The Town pays for the assessment costs for this zone attributed to publicly-owned properties, such as schools, fire stations and the Hembree Cultural Center. For FY 2022-23, the Town will pay for 1 publicly-owned property out of the General Fund

Zone 6 - Senior Center

The Brooks Creek Subdivision, Unit I, II, III and IV is a development specifically oriented toward senior citizens. As such, the homeowners of this subdivision benefit directly by the amenities, activities and facilities that can be used in the Senior Center. The developer constructed a Senior Center and agreed to have assessments placed on each of the proposed 200 units within the subdivision to pay for a portion of the operation and maintenance costs associated with the Senior Center. Based on an analysis of benefit, it is determined that properties within Zone 6 received special benefit for 33% of the costs and there is a general benefit to the senior citizens of the Town for 67% of the costs. Each parcel within Zone 6 benefits equally and therefore is assigned one ESD. Accordingly, the method by which the assessment is spread to the individual lots in Unit I, II, III and IV is by taking 33% of the total estimated cost of the operation and

maintenance of the Senior Center and then dividing by the total proposed ESDs within the subdivision.

PART E
FY 2022-23 PROPERTY OWNERS LIST

Enclosed by separate document, are names and addresses of each of the property owners as shown on the County of Sonoma Assessor's Tax Assessment Roll. The names and addresses have been keyed to the special assessment number (the assessor parcel number) as shown in Part C of this Engineer's Report.

PART F
FY 2022-23 ASSESSMENT DIAGRAMS

Attached, you will find Assessment Diagrams (maps) for each of the six zones within the Assessment District. Please note that the lines and dimensions of each parcel within their respective subdivision, as well as the distinctive assessment number, are shown on the Assessor's Maps for the Town of Windsor available at the County of Sonoma Assessor's Office. The attached pages also provide the reference to the appropriate Assessor Books at the County for the respective subdivisions in each of the six Zones.

Zone 1 - Parks

Zone 1 is comprised of all parcels lying within the Town boundaries of the Town of Windsor except parcels 059-310-051, 059-310-052, 086-170-016, 086-170-017, 086-170-045, 161-020-017, 161-020-049, 161-020-051, 161-020-052, 161-020-053, 161-020-056, 161-020-057, 161-020-058, 161-020-059, 161-020-060, 161-020-061, 161-020-062, 161-020-063, 161-020-064, and 161-020-065.
These parcels can be found in Assessor Books No. 59, 66, 86, 161, 162, 163 and 164,

Zone 2 - Lighting

All the land lying within the Apollo Estates Subdivision, Tract No. 819, filed in the Recorder's Office of the County of Sonoma in Book 435, Page 26.
