Town of Windsor Hires Olivia Lemen as Parks & Recreation Director

Windsor, Calif. – The Town of Windsor has named Olivia Lemen as the new Parks & Recreation Department Director. She previously served as the Town's Parks and Facilities Division Manager and begins her new tenure immediately.

Town Manager Jon Davis cited her leadership on many projects and initiatives in the Parks & Recreation Department and her development of positive working relationships in the community.

"The pride Olivia takes in her work and in the quality of our parks, facilities and programs has contributed to the success and reputation of the Town," he said. "Olivia is a terrific addition to our strong and capable executive team."

Ms. Lemen's key priorities include finishing the Keiser Park Master Plan, developing a funding strategy to build out the Keiser Park enhancements, and continuing to offer a broad and diverse level of programs and events in Windsor.

"It is humbling to be given the opportunity to work for our community in this capacity. We have a great staff team who provides the park spaces and recreation events and programs that make Windsor so special," she said.

"This is my home, where we choose to raise our family and I am committed to bringing the best we have every day for the residents," she added.

Ms. Lemen started working for the Town of Windsor in 2014, initially serving as a Management Analyst. Prior to Windsor, she worked as a Recreation Manager for the City of Calistoga and Associate Executive Director for East Valley Family YMCA.

She graduated from Humboldt State University with a bachelor's degree in applied mathematics. Ms. Lemen and her husband, Andrew, have two children who attend Cali Calmecac Language Academy. In their free time, they love to travel in their trailer and spend time at the beach.
