KINDERCLUB TEACHING STAFF

Lead Teacher

Leena Chung is returning this year as our Lead Teacher at Kinderclub. She has worked as a teacher with the Town of Windsor preschool programs since 2010. She has a B.A. in photojournalism, art photography, and literature from the University of Missouri-Columbia, along four years of graduate studies at University of Joensuu in Finland. She worked as a photojournalist with various newspapers before becoming a mother. Leena has lived in Windsor for 20+ years with her husband and two children. Both of her children attended Kinderclub, and she feels privileged to be a part of this great program as a teacher now. “I love working with preschool-aged children; they are funny, caring, and eager to learn!”

Assistant Teacher

Kristen Gienger has been teaching for the Town of Windsor for three years and loves it! She has a Bachelor's Degree in Social Work along with multiple Early Childhood Education credits and has worked with children in many different settings. She enjoyed working in a child development center, a SPED classroom, and has homeschooled her own children for 5 years. She is a proud mom of an 12 year old, a 11 year old and a 8 year old. She is so excited to be a part of your child’s learning journey.

Substitute

Kathy Lickey is returning for her third year with the Town of Windsor Preschool Programs. She recently took online classes focusing on the Montessori way of teaching. She is a "young" grandma who retired early to help raise her granddaughters from infancy to school age (now 6 and 8), and missed spending time with them so she decided to embark on a new career. She is very happy to be working with children again, guiding and helping them to achieve their goals. “A child has such joy and happiness when they are exploring their world and I look forward to getting to know each and everyone of them.”
